## Commodore's Comments

**Bernie Keary**

Hello All ~ October is upon us - leaves changing color, cooler temps and lift-outs. The end of our boating season is near, but there is still a lot of events going on at the Club this month . . . Clam Bake, Brown's games, Chili Cook-off and an Open House, so come down and enjoy your Club while the weather is still good. If you need work hours before the end of the year, lift-out and work parties on Saturday's at 8:00a is a good way to get them.

## Vice Commodore's Comments

**Larry Schwenk**

Hi All ~ Last Sunday was a sad day because we officially closed the pool, but the pooches had a good time. A new pool cover has been ordered and will be installed shortly. LCYC's Annual Golf Outing is Saturday, September 26. The bar will be open at 6:00p, so even though you are not playing golf or coming to the steak dinner, stop by and have a drink with us. Remember that the bar will be open all Sunday's for the 1:00p Browns games and the bar will be open on Friday's starting on October 23 at 7:00p.

## Rear Commodore's Comments

**Gayle Feldman**

Hi All ~ As you can see (pun intended), the Illuminating Company spent a full day at our Club trimming trees. They will be returning after the boats are out of the water to continue trimming trees on A-wall and other areas of the Club. Also, an engineer from the Illuminating Company has been out to assess how we can improve electric service to the boats since we had issues this year with not getting sufficient power to some areas. I am sad to say that fall work parties are starting September 26 so anyone needing work hours should be sure to stop down and help with fall clean-up.

2015

## Fleet Captain's Comments

Dale Cover

Well it's finally that time, lift-out season. Please coordinate with me regarding when you would like to come out. Saturdays for the next few weeks will be the regularly scheduled days for lift-out, but arrangements can be made if you need to come out during the week. As a reminder, all boat insurance needs to be active and all financial obligations with the Club need to be current prior to being approved for lift-out. The barge will be going back in for end-of-season maintenance and prep for reworking a couple docks. If you have work to do at your dock and the barge would make it easier, please let me know. As boats come ashore, parking around the island will get tighter so please be considerate of your neighbors and try to be understanding if you are displaced by boat parking. I can be contacted at [rayd8@att.net](mailto:rayd8@att.net).

## Treasurer's Comments

P/C John Kromar

As we approach the end of another boating season, we reluctantly think of lift-out. I am preparing Winter Storage contracts for all who have stored with us last year and will e-mail them to each of you. If for some reason you do not receive it, and also for any new members this year that want to store with us, there are blank Winter Storage contracts in the kitchen on top of the Treasurer's box. If you are not sure of your LOA please contact the Fleet Captain. Payment in full must be received before your boat can be lifted. Most importantly, **if you are not current on your dues and assessments, your boat will not be lifted**. The Fleet Captain and lift operators will be advised of anyone on the "do not lift" list. Thanks for your cooperation.

## Sunshine Report

Marilyn Schaffer

As most of you know, **Diane Kromar** underwent another back surgery in September. She is doing very well and is now in rehab at Heartland of Mentor. She is anxious to go home and should very soon. That's our girl! Thanks, P/C John, for keeping everyone informed of her progress. A card was sent and a care package will be delivered next week.

## Ladies Luncheon/Chinese Auction – Saturday, November 14, 2015

The Ladies Luncheon/Chinese Auction is less than 2 months away and we are close to selling out. This event is ALWAYS amazing and we need your help to continue down this path. Now that almost all the tickets are sold, we need help with all other aspects of the event and of course, we need your donations, so please step up and be as generous as you have in the past. We are also in need of large, empty baskets. If you won one last year, please consider donating it back.

If you didn't reserve a ticket yet and want to attend the event, please contact Debbie Gudowicz right away. If you can't participate the day of the event, no problem as Friday, November 13 is "Preview Night". Please stop in and see all the great baskets and purchase tickets to win them. The winner does not need to be present on Saturday to win. Simply write your name on the ticket before you throw it in the bag. It's that simple. If your ticket is pulled, you will receive a call that day to arrange for pickup of your item.

All donations need to be received by Saturday, November 7. Please don't wait to the last minute. If you need basket ideas, the attached flyer might be helpful. You can start bringing your donations to the Club now. As always, THANK YOU for your continued support.

## Entertainment Committee

Kichinka and Tony Caputo

The Perch Fishing Tournament was postponed due to weather and lake conditions, and is now scheduled to be held on Sunday, September 27. If you want to participate, please be at the pavilion by 7:30a. Boats are due back for weigh-in by 1:30p. Depending on how many fish are caught, we will hopefully be able to schedule the Perch Dinner soon. More details will follow in an e-mail.

The annual Clam Bake is on Saturday, October 3. **Reservations are a must and due by Sunday, September 27**. Please see the attached flyer for the details. On Sunday, October 18 the Browns are playing the Denver Broncos at home at 1:00p and the game will be on in the Clubhouse. If that isn't excitement enough, we will also have a Chili Cook-Off. Come enjoy the game, good company and good food. See the attached flyer for those details. We are also hosting an Open House from 1:00-4:00p, so invite your friends and spread the word.

# Insurance Report by Ray Koeth

## Boat Insurance Due/Past Due:

<b>May - Dave Trent</b>	<b>5/18/15</b>
