Commodore's Comments Dale Cover

Commodores Corner - July is just around the corner which means Regatta season is upon us. We have an opportunity to visit our neighbors at their Regattas and a chance to show off our great facility and our fantastic members during our Regatta. Let's do ourselves proud.

Speaking of proud, our theme for Regatta this year is "American Pride". I look forward to seeing how our members will express their own American pride. As usual, LCYC will be packed with people that weekend. Parking will be less of an issue if we stick to the rules and have our guests park in the main parking areas away from the docks. Many people have guests during Regatta and we invite the public to attend. With all of the extra people at LCYC we need to be extra vigilant about safety and courtesy with our friends and neighbors.

Flyers regarding the functions and activities surrounding Regatta have been posted in various locations around the Club and have been e-mailed. More details will be included in this newsletter and a final Regatta program will be disseminated in a couple days. We will have live entertainment both nights and a steel drum player for the activities at the pool on Saturday afternoon. Lady Jackie and I hope to see you there and hope you have a great time.

Rear Commodore's Comments

Joe Prucey

As Regatta weekend is fast approaching, please remember each dock has only one designated parking spot; please ask your visitors to park in the visitor parking lot (the gravel lot which will be lined). Also, let them know that the speed limit on the property is 5mph.

Due to the increase in membership and the need for ample parking, the use of campers is highly discouraged. If you need special accommodations, please submit your request to the bridge. If you have any questions, please feel free to contact me at 440.228.7203 or via e-mail at josephprucey@gmail.com.

Fleet Captain's Comments

Becca Pattie

Hope everyone is having a great time so far this boating season. I would like to thank everyone who came to the Shakedown cruise to Geneva State Marina. We had a great turn out and a great time with lots of memories. For those of you who haven't been before or missed this year, hope we see you at our next Club cruise on August 3, 4, 5 to Rock & Dock Marina in Cleveland. Please let me know if you plan to go. I will submit your name, phone number, boat length to the marina and they will contact you directly for payment.

Also, can't wait to see everyone at Regatta the first weekend of July; and to see everyone's American Pride. Also in July, on the 28th, is a Beach party. Grab your jet ski, dinghy, boat, whatever you want and meet us around the corner. I would like it to be an afternoon/evening thing. I'm going to bring a grill so all you need to bring is your own food and drinks!! I'll bring corn hole and maybe a few other things. Let's have a relaxing day on the water and possibly a bonfire! Hope to see you all there.

One more reminder ~ we need to make sure that if there are issues or concerns or questions down and around the Club, that you are addressing your issue with the correct officer. Let's have a fun, safe summer!!

Len Anderson/Dean Palmer Day

P/C John Kromar

Once again the members of LCYC came up big to help support the Blue Gavel sponsored Len Anderson-Dean Palmer Day. Approximately 35+ members and family of the Society for Rehabilitation were treated to picnic lunches and boat rides. Cynthia Vidmar, the activities director for the Society, said that they all look forward to this event, starting as soon as the last one is over.

After what appeared to be a washout on Wednesday morning, cleared by 10:30a. Boats were loading by 11:00a, the Lake cooperated and lunch was being prepared before noon. What started out as a 'downer' turned into another successful event.

We, LCYC & Blue Gavel, have been doing this event for 40+ years, and could not have done so without the support of our membership. On behalf of the Society for Rehabilitation, myself, and our Blue Gavel, I want to thank each and every one of you who were able to offer your help in food preparation, cooking, serving, clean up, and those who provided boat rides. Also, big thanks to our Willoughby/Eastlake Fire Departments for allowing the firemen to help us in lifting wheelchairs in and out of boats. That probably saved a few back aches since none of us are getting any younger. Once again, 'huge' thanks LCYC. See you next year.

Regatta Committee

It won't be long now. Regatta is only two weeks away and things are really coming together!

Friday night should be big fun!! As always, we will offer a full bar, and the traditional Regatta menu. Radioactive will be getting us out on the dance floor with their wide variety of tunes. Saturday will start with a continental breakfast followed by children's games and a corn hole tournament. At the pool, blender drinks will be served to the sounds of steel drums playing. Don't forget to make reservations for the BBQ dinner. They are due with money by July 2. We will wrap the night up with the band One Hit Wonders.

On Sunday we have the always fun boat parade, Commodore's Crash and raffle. This is the official end of an exciting and fun-filled weekend. Please see all of the attached flyers for additional details about Regatta.

REMINDERS:

- T-shirt orders are due by **June 23**
- Dinner reservations are due July 2
- Regatta raffle tickets (with payment for extra tickets) are due by July 8
